

CANADIAN LEGION

WAR SERVICES

Thurs. Nov. 30. 1944

To The War Mothers Protective League:-

Your X-mas Box arrived safely in yesterdays mail, and was indeed a very pleasant suprise

I see you ladies are familiar with buying for soldiers, either that or you have got together with some of the Service Boys at home, because every thing in the Box is very usefull including that "laundry soap" us guys buckle down to wash day too you know! (smile)

I'm getting along very well down here and in the best of health, the Climate is perfect now, just nice and warm only during the summer months the heat is extreme. Although the ~~town~~ <sup>town</sup>

"

is small we have a fair amount of recreation, a very modern picture show; lots of swimming and tennis.

So in closing I'll just say "Thanks" again for every thing, and hope the day isn't too far off when all us Boys in the Service will be home again with our Love ones.

Yours Truly  
Pte. Gordon C. Burnett.
