Dear Mrs. Allen:

I received your gift parcel, today, which was quite a surprise to me, so in these spare moments, not under fire, I take pleasure in thanking you, and your little organization for the good work in which is vested, on the boys in the front line.

I wish I were there personally, to tell each, and every one of you, individually how much, I appreciate your thoughtfulness towards a good cause, but as the case may be, this crisis has fell upon us, so in order, that there will be a better world to live in, free from turmoil & strife. Homes have been wrecked and lives lost, through greediness & selfishness.

And so closing thanks once again for your gift, and I hope to have the pleasure to meet you all in the near future.
your gratefully,
E. Richards
