Dear Mrs. Allen:-

I received your lovely parcel and was more than glad to receive it. I wish you would thank everyone for me. I must say it was a pleasant surprise, to know that people still remember you after being away so long. I hope these few lines find you and all your love ones enjoying the best of health. I just received the parcel to-day, so please don't think I delayed it this long to write and thank you. I think it is rather nice of you to form

a league and send things
to the boys to cheer
them up. I hope I shall
be able to get home soon
and spend a few years at
your home like I used
to. How are your boys
tell them I said hello.
I don't suppose you
would know me now
as I am really getting fat.
Well there isn't any news
I can tell you as nothing
ever happens over here.
But I just wanted you
to know I received your
parcel and to thank
you.

As Always
Respectfully
Yours.

Roy E. Campbell.
