Dear Miss Beatrice,

Thank you for your kind note! It was a pleasure for me to come to know that the few lessons I was able to give were interesting for you and Miss Deirdre and even "exciting". For my part: I took a "pedagogic pleasure" in your quiet good and splendid attention.

I am looking forward to the day when I shall have the chance of meeting Mrs Elmhist. When will you come over to Philadelphia. Will Miss Deirdre accompany you? Hoping that I shall ~~see~~ see you soon.

Best regards

M. Cherkov.

Many thanks for your cheque. It was really not at all necessary.
