

THE CAMBRIDGE
60 WEST 68TH STREET
NEW YORK

PRIVATE OFFICE

April, 3rd 1935

Dear Miss Deardre,

I thank you very much for your 2 kind notes.

I have not met you for such a long time and would like to see you and ask you whether you could continue the exercises and whether they are telling you something new?

Are you accompanying Miss Beatrice to India and Japan? That must be a wonderful voyage.

With best regards
yours,

Michel Cheshat
