Dear Mrs. Calder:-

On my return to the office from a trip to Quebec I was very pleased to find the photograph of Jack you were good enough to send to me. I can assure you I shall prize it highly and will see it is properly framed and placed in my little gallery of CP friends. Thank you very much.

I received a note from Jack a few days ago and he seems to be in the highest of spirits.

Sincerely yours,

C. A. Day
