Dear Mrs. Allen:

These few lines are to convey my thanks to you and the rest of the fair ladies of Windsor for the parcel which I received today.

I wish to show my appreciation which is just a small part of what I feel deep down in my heart.

It makes one very grateful to know that out of this world of turmoil and hatred there is still kindness and thoughtfulness back home, and the church and all concerned with the church are a flowing example.

Please give my thanks to all and tell them to continue holding the defense of God on the home front and we will do our very best on the battlefield, so may God be with you all and the best of health and luck I close.

Gratefully Yours

Pte Grosse J. D. A 117195
