THE ESSEX FREE PRESS

VOL. 60 NO. 24 || WHOLE NUMBER 2967. ESSEX, ONTARIO, FRIDAY, JUNE 11, 1943.

MR, FARMER:

It is too bad that I have been unable to insure you against the effects of too much

RAIN RAIN RAIN

BUT

I do have the very best facilities and rates obtainable to protect your crops, if you have any, against the disastrous effects of the next course on the menu, that of

HAIL HAIL HAIL

LADIES: Do not forget about the only ACCIDENT POLICY on the market for you — at the small cost of only $10.00 annually. It is selling like hot cakes.

COME AND SEE ME.

"I can insure anybody or anything except dead folks and ashes."

REV. JOHN HUNTER.

Baptist Pastor Resigns.

Rev. John Hunter announced to the congregation of the local Baptist Church that he had decided to accept a call to a Baptist Church in the City of Detroit. Mr. Hunter has been here for the past three and a half years and under his guidance the church has taken some forward steps.

During his ministry the church mortgage has been cleared and a parsonage bought. Less than one hundred dollars has to be paid on the parsonage, and this will be taken care of before Mr. Hunter leaves.

Rev. Hunter has been active in evangelistic work and his heart-searching messages have been instrumental in drawing evening crowds above the average. Under his ministry the Sunday school was opened in New Canaan and this is now carried on by one of the deacons of the church. He also carried the load of Wheatley and Coatsworth missions, and they now have a resident pastor.

Essex Rotary.

The members of the local Rotary Club were privileged, on Monday evening, to listen to a very fine address by their District Governor, Alex Moore, of Wayne, Mich.

The speaker told of how the present war is bringing United States, Canada and Great Britain closer together than they ever have been before.

"Friendship," in my estimation, "is the finest point in Rotary," he stated, comparing it to a delicate flower and stressing that we should do everything within our power to keep our friends.

The Governor interspersed his talk by many quotations, and reciting a number of short poems.

An oddity of the evening was the asking of Verne Snyder, a visitor with the Governor from Wayne, to introduce the speaker. Verne, who a great many of the older residents will remember, is a graduate of the Essex public and high schools. He is now practicing law in Wayne. Verne reminisced a little prior to introducing the guest, stating it was 29 years since he, with his parents, had left Essex, and that they had resided in Essex from 1907 to 1914. It was sort of tit for tat, as after Mr. Moore had been introduced he in turn introduced Verne and told what a fine Rotarian and public spirited citizen he is, being a past president of the Wayne Club, as well as being a past president of their Board of Commerce.

Other guests present were Morrey Findlay and David Harrow, of the R.C.A.F., home on leave, both of whom are former Junior Rotors; Herb Murwin and R. Haslam, of the Harrow Club; Dr. Geo. Rogers, of Minneapolis, Minn., and Messrs. W. E. Beaman, P. Vanstone, J. Frazier and Wm. Wass, of Town.

An Unfortunate Occurrence.

The Town of Essex late Saturday night and early Sunday morning, was the scene of a most unfortunate occurrence, when about one hundred and fifty, mostly townspeople, gathered in front of Workman's Restaurant threatening violence to five Canadian-born Japanese, who were having something to eat in the restaurant.

The trouble started when a sailor, in uniform, George Stevens, of Riverside, who used to work on a farm in Maidstone Township, and George Reeb of Maidstone, went into Workman's Restaurant and started an argument with the Japanese over the paying for a game of pool which they had played on Thursday evening. The Japanese who were there, however proved not to be the ones they had played with, and told Stevens and Reeb so.

Going back a week to the Saturday previous, Stevens had been in the restaurant and had deliberately torn a piece off a table cloth to shine his shoes with, so Mr. Workman, recognizing him, and expecting more trouble, left his place of business and went to get Chief of Police Harrison, but when he and the chief got back Reeb and Stevens had left the restaurant and gone down the street.

In some way a report was circulated that they had been abused by the Japs, for a crowd formed from nowhere, apparently without a leader, in fact the crowd got so large Chief Harrison called Provincial Police Headquarters in Windsor for help, and in fifteen minutes three Provincial Police and seven Mounties were at the scene. The crowd dispersed only when Earl Pulleyblank, president of the local Legion, advised those present that he would call a special meeting of the Legion, in their club rooms, on Sunday evening, have the young men present, and go thoroughly into the facts of the case, and the police had Stevens tell the crowd that the rumours floating around were greatly exaggerated and that he had not been molested in any way by the Japs.

At the meeting on Sunday night Staff Sgt. A. W. Anderson, head of the R.C.M.P. in Windsor, promised the people of Essex, subject to the approval of his senior officer in Toronto, that an R.C.M.P. officer in uniform would be stationed in the centrally located office of Angus McKenney, town representative of the Department of Agriculture, during the evenings while the Japanese were in town. Also, the Japanese would henceforth not be allowed to noter the town on Saturdays and could only stay until 10.30 other nights. The number who could come at any one time would also be limited.

There are now 37 Japanese stationed at North Ridge camp.

Sgt. Anderson advised those attending the meeting that there are 4,000 Canadian families, exclusive of the military, in Japan today, and that reprisals against them were always possible, in fact, Japanese affairs in Canada are now in the hands of the Spanish Embassy, who reports regularly all matters pertaining to Japan's interest. Sgt. Anderson also states that there is no complaint of the treatment of these 4,000 Canadian families in Japan.

Improved Town Property For Sale.

Sealed tenders will be received by the undersigned, up to 6 p.m. on MONDAY, JUNE 21st, 1943.

For the purchase of the following property in the Town of Essex:

Lots 189, 191, 193, 195, 197, and parts of lots 186, 187, 188, all in plan 176, Town of Essex, together with the buildings on said lots.

The highest or any tender not necessarily accepted.

K. E. BRETT,
Town Clerk.

Rummage Sale.

—On Saturday, June 12th, the Woman's Missionary Society of Essex United Church, will hold a sale of clothing and household articles, in the Doyle Warerooms, Talbot street. Donations will be appreciated.

Conservatives Elect Officers.

Forbes Geddes, of Essex, was re-elected president of the South Essex Progressive Conservative Association at the annual meeting in the town hall, Kingsville, on Monday evening. Others re-elected were Rockwood Catherwood, of Colchester South, 1st, vice-president; Mrs. Kathryn Smith, of Leamington, 2nd vice-president; Edison Squire, of Cottam, acting secretary, and Charles Maedel, of Essex, treasurer. Dr. Q. Bliss, of Kingsville, and Ted Pickering were appointed auditors.

Mr. Geddes presided at the meeting which was well attended by representatives from all sections of the riding. Plans were made for the expected provincial election some time this summer, and a business session was held.

William Conklin, of Kingsville, reported that the nomination committee had interviewed several in South Essex regarding as to their being candidates for the South Essex riding in the coming provincial election and also reported that these men are willing to have their names placed before the nomination convention, the date of which will be set at a special meeting of the select executive committee at an early date.

The constitution of the association was amended so that the name of the organization could be changed from the National Conservative Committee to the Progressive Conservative Party. Austin B. Smith suggested that the nominating convention be called as soon as possible, and that the convention be a closed one. This was moved by J. R. Morris, of Leamington, and seconded by S. Francottie, of Essex, and met with the favour of all those present.

Guest speaker of the evening was A. R. Douglas, of London, former president of the Western Ontario Conservative Association. He gave an outline of what the party will try to do if given power and enumerated the faults Progressive Conservatives find with the present provincial federal governments.

Other speakers were Albert Bruner, of Olinda; J. R. Morris, of Leamington; William Marck, of Harrow, and George Brown, of Amherstburg.

Public School Song Recital.

The Public School Song Recital and Operetta was attended by a capacity audience, the proceeds being just over $95.00. Practically every pupil of the school appeared on the program, enabling the citizens and ratepayers to review the work accomplished in music under the capable direction of Miss Tena Cates.

The program was presented at the afternoon rehearsal by Rev. John Hunter, chairman of the Board of Education, while Percy Lee acted in the capacity in the evening.

Generally speaking, the pupils did well, and not a few distinguished themselves. Invaluable assistance was given the staff and pupils by Charles Maedel, who granted the use of his loud-speaking equipment to "Bud" Inkster, who was at the controls. To these, and all others who contributed to the success of the entertainment—thanks.

Quinlan-Fields Nuptials.

A very pretty wedding was solemnized, on Saturday morning, June 5th, at Holy Name Church, Essex, when Rev. Fr. I. O'Neil united in marriage Miss Alva Fields, daughter of Mr. and Mrs. Jean Fields, and Philip, eldest son of Mr. and Mrs. John Quinlan.

The bride was given in marriage by her father, and was lovely in a gown of white satin, princess lines, with leg of mutton sleeves, and her floor length veil was caught with a wreath of orange blossoms, and she carried a bouquet of carnations. Miss Irene Fields was her sister's bridesmaid, and wore a shell pink gown of net over satin, with sweetheart neckline and wore a headdress to match. Miss Reta Quinlan, cousin of the groom, as maid-of-honour, was gowned in aquamarine blue net with headdress to match, and both girls wore a corsage of carnations. Billie Quinlan, brother of the groom, and Charles Quinlan, a cousin, acted as groomsmen.

A breakfast was served at the Aberdeen Hotel to the bridal party and immediate family, and a dinner was served to sixty relatives and friends at the groom's home at 5 o'clock, with a reception following, when a hundred or more young people had a very enjoyable time.
